

You'll look great on our team!

For the next few weeks, let's invest some time fundraising for the **Coldest Night of the Year: CNOY**.

Join Holy Trinity "Change a Life" team and walk with us on **Saturday, February 26**. It's a short walk, for a very big reason.

We're raising funds for folks in our community - in York Region - who are hungry, hurting and regrettably, many have no housing. These are adults, moms and kids, seniors and youth.

CNOY is a fun and valuable. Join us! Just click our team page link below. We'll gather - distanced and masked - for hot chocolate and goodies, and walk around a neighbourhood of million-dollar homes - such a stark contrast to the lives of those for whom we are raising funds.

Bless you!

P.S. Last year, over 26,000 CNOY walkers across Canada raised just under \$6.5 million dollars - it's Canada's National Walk for Homelessness. Our little team raised more than \$3000 for York Region's Blue Door and Mosaic Interfaith that feeds and shelters 100's of people.

Team page to donate is here:
